Dear Grace Church Family and Friends,

Recently, I came across the following blessing by John O'Donohue, the Irish author known for his spiritual writings. It almost reads like a valentine from God, and so, I thought I would share it with you today:

*May you recognize in your life,
the presence, power and light of your soul.
May you realize that you are never alone,
that your soul in its brightness and belonging
connects you intimately with the rhythm of the universe.
May you have respect for your own individuality and difference.
May you realize that the shape of your soul is unique,
that you have a destiny here,
that behind the façade of your life
there is something beautiful, good and eternal happening.
May you learn to see yourself
with the same delight, pride and expectation
with which God sees you in every moment.*

See you in church,
Andrew
