Dear Grace Church Family and Friends,

Thank you to everyone who attended the Annual Meeting on Sunday. As we heard in all of the reports, we are blessed to be part of such a healthy and vibrant parish.

There is a lot happening here at Grace, and we have many ways for you to stay up-to-date on the latest news and events:

Grace Church Website

Our church website www.graceepiscopalchurch.org is a great place to find information about Grace Church. It features everything from ministry updates to recent sermons.

Sunday Bulletin

Our Sunday bulletin highlights many of our current and upcoming programs. When you join us for worship, please take your bulletin home with you and read through the announcements.

Weekly Email

Every Thursday, we send out a weekly email with news about the upcoming Sunday and other important dates. If you are not receiving the email, it is probably because we don't have your email address. To receive the weekly email, please contact Sunny Simmons, our Parish Administrator, at ssimmons@graceepiscopalchurch.org

Seasonal Mailings

A few times a year, and often corresponding with church seasons, we mail out information about Christian formation and fellowship opportunities. Post these flyers at home, so you always know what is taking place at Grace.

Vestry News

The Vestry, our governing body, meets on the third Monday of every month. Highlights from the meetings are posted on the Vestry bulletin board in the Undercroft.

Facebook

Grace Church is on facebook, and if you "like" us, you will see pictures from around the church, as well as other news, information and reflections.

See you in church,
Andrew
